## Can I only order part of my prescription?

Tom Parks - 2025-09-07 - [Prescriptions](#)

Yes, please email our customer service team at [info@rosewaylabs.com](mailto:info@rosewaylabs.com) to let us know which parts of your prescription you would like to redeem. Please note that we won't split a pack of medicine to do this. It's up to you to make sure the rest of your medication is ordered before the prescription expires. Delivery charges will apply for each delivery.
