How do I pay for my medication?

Tom Parks - 2025-02-13 - Payments

You will receive an email containing a payment link. This will be sent to the email address given to us by your prescriber/registered on our Patient Portal. Payment can be made by debit or credit card; we accept Visa, Mastercard and Amex.

If you don’t receive the email, please check your junk mail folder.

Please note, if you normally pay your prescriber or clinic for your medication then you will not receive a payment link.

Please check when paying that you are paying for the expected items and have the correct delivery address!
