What will happen if the prescriber doesn’t call me on time?

Tom Parks - 2026-11-17 - Appointments

If the prescriber hasn’t called you or made the Zoom call for your appointment, check your appointment details to confirm that you have the correct date and time.

If you have the correct time, please allow up to 15 minutes in case our prescriber is running late. If you still haven’t had any contact, please get in touch with us at info@rosewaylabs.com or on 03330 504030.
