Who do I pay for my order, my clinic or Roseway Labs?

Tom Parks - 2026-11-17 - Payments

This depends on the relationship your clinic has with us.

For some clinics, you will order from and pay your clinic, and then we just act as their supplier.

For other clinics, they only act as a prescriber and then you order and pay for the medication with us.

If you're not sure then it's best to check with the clinic, or call us on 03330 504030.
